About AHE

The Association for the Healthcare Environment (AHE) is a personal membership group of the American Hospital Association. AHE is the professional organization of choice for professionals responsible for caring for the patient and resident care environment across all care settings; including hospitals, long term care, continuing care retirement communities and ambulatory care. AHE shapes professional practice, advances and promotes the profession and promotes awareness for over 2,000 professionals working to ensure a clean and safe healthcare environment and quality outcomes. www.ahe.org
